No. 578.—In exercise of the powers conferred by section 5 of the Portuguese Act, 1904 (III of 1904), and in continuation of the Home Department Notification No. 271, dated the 26th August 1913, the Governor General in Council is pleased to declare that the provisions of section 5 and of all subsequent sections of the said Act shall remain in force in British India, including British India, the British Possessions and the District of Azule, during the continuance of the present war.

No. 151.—In exercise of the powers conferred by section 12, sub-section (1), of the Indian Pass Act, 1912 (I of 1912), the Governor in Council hereby declares to be forfeited to His Majesty all copies, wherever found, of the Indian Pass Book entitled "Al Idriss," inasmuch as the said Indian Pass Book contains what have a tendency to bring into hatred and enmity the Government established by law in British India and are therefore of the nature described in section 4, sub-section (1), of the Act.

Port St. George, February 15, 1914.

No. 152.—In order to remove any doubt which may have arisen as to the meaning of the *Press Commission* published in Notification No. 64 on pages 93-94 of Part I of the *Port St. George Gazette*, dated 21st January 1914, the following explanation is added. No letters may be addressed to persons in any newspaper. All letters must be sent through a friend or agent residing in a neutral country, and must be enclosed in a cover and sent to the Postal Officer, Madras, who will pass them on. At present, the Postal Officer receives many letters postmarked, etc., addressed to persons in many countries with an endorsement "transmitted through the Consul." This causes much loss of postage material and time, as the letters are returned to the writer.

SUPPLEMENT TO PART II
OF
THE FORT ST. GEORGE GAZETTE.

No. 72

MADRAS, TUESDAY EVENING, FEBRUARY 26, 1914.

[PART, 3, 1914.]

SALT, ARKARI AND CUSTOMS DEPARTMENT.

NOTIFICATION.

No. 2, dated 24th February 1914.

NOTICE OF OBSOLETE OF ISSUE OF FIXED FEE FOREIGN LIQUOR LICENSES.

The following notification is issued in representation of Notification No. 1, dated 22nd January 1914, published in the Supplement to the First Pt. II, (Gazette Gazette), Part II, dated 22nd January 1914.

In exercise of the power conferred on him under section 4 (a) of the Madras Alcohol Act (I of 1908), the Commissioner of Salt, Alkali and Dependent Revenue hereby promulges, under section 21 of the Act, the following rules for regulating the issue of licenses as laid down by the Commissioner, Madras, for the sale of potable foreign liquors from and after the 1st April 1914 within the limits of the Madras Presidency:-

1. The term "foreign liquor" in these rules includes all wines, spirits and beer imported into the Presidency by sea or land; plain rectified spirits imported or brought into and on which the tariff rate of duty has been paid; all spirits manufactured or compounded by the country and made in either wet or anhydrous form, brandy, whiskey or rum (the spirits made in the house from cane or sugar, called "Mishuker arrack") and distilled at the tariff value of liquor duty; and beer brewed in India, or beer imported in a condensed form and afterwards converted into potable beer are duty exempt, but excludes denatured spirits and ordinary arrack. In the case of liquors in Chroma, Dargaga and other approved forms or process, however, for the sale of pure rectified spirits only, the term "foreign liquor" means pure rectified spirits imported from foreign countries by sea or manufactured in this country or obtained at the tariff rate of duty.

NOTE.—The following strengths of which imported and locally made foreign spirits are to contain 50° S.F. for wine and 50° S.F. for all other kinds of spirits according to the strength, Indian brandy, except denatured spirits and Mishuker, Golek, and Chroma brandy.

"Native" beer is beer brewed in India (a) which contains at least two bushels of malt and two pounds of hops per bushel and in the manufacture of which copper or metal can be employed, (b) which is brewed on a higher original gravity than 1,000° on a standard saccharometer and (c) the maximum price of which at the time is Rs. 45-2-6 per hundred including the excise duty of three annas per gallon.

2. Licenses for the sale of foreign liquor shall be of the following descriptions:-

I. Wholesale license for the sale of foreign liquor and to be issued on the premises.—There will be issued on an annual fee of Rs. 150 at the discretion of Collectors. Under this license the sale of liquor in quantities less than two imperial gallons or a dozen repeated quart bottles or two dozen repeated pint bottles of each kind at a time is prohibited. The holder of this license will have the privilege of issuing to licensed dealers only samples of liquor in quantities not exceeding one pint. In Madras town, holders of this license will not be allowed to sell "native" beer.

II—Sec-11

III. *Licence for the sale of foreign liquor not to be dealt on the premises to any person.*—There will be of two kinds—one for the sale of all kinds of foreign liquor, except "sake" beer and the other for the sale of beer brewed in India.

- (a) The licence will be issued at the discretion of the Board and Collection on payment of an annual fee of Rs. 200 in the case of Madras and in Cochin, Calicut, Coimbatore and Wellesley, Rs. 150 in the case of Bangalore, a population of 25,000 and over and in Kottayam, Yercaud, Kottagiri and Cochin, and Rs. 50 in the case of the Presidency. Under these licences the sale of liquor in a quantity less than one hundred pint will be prohibited. In Madras the right of selling Colombo, Cutch or Malabar arrack for removal from the premises is likewise prohibited, excepting one hundred quart will be permitted to tavern-keepers who have sales, and a special licence for the purpose which will be issued on payment of an annual fee of Rs. 100, while the ordinary retail licence holder will be allowed to sell any kind of foreign liquor except Colombo, Cutch or Malabar arrack and "sake" beer.

(b) Retail licences for the sale of beer brewed in India will be issued to successful bidders for beer shops on payment of an annual fee of Rs. 50.

III. *Minor licences for the supply of spirits in hotels and boarding houses.*—There will be of two classes at annual fees of Rs. 50 or Rs. 75 in Madras, of Rs. 100 or Rs. 150 in the Nilgiris, and of Rs. 50 or Rs. 75 in the rest of the Presidency, as may in each case be determined by the Collector. The licence may be sold under these licences otherwise than to residents in hotels and boarding-houses for their own use and that of their guests, or to annual visitors requiring liquor with the meal or meals supplied to them.

In Madras a holder of a hotel licence desirous of setting up and maintaining in his hotel a "bar" or "booz" may, on payment of a monthly fee of Rs. 50 (or a fixed sum less Rs. 20 for a second-class bar, be granted a separate licence to be called a bar licence. This will cover the sale of foreign liquor, except Colombo, Cutch or Malabar arrack, under the same conditions and to the same extent as the hotel licence.

In Madras, special bar licences will also be issued to others than holders of hotel licences with the previous sanction of the Board of Revenue. The fee in each case will be fixed by the Board and the licence will entitle the holder to sell to all comers.

IV. *Refreshment-room licence will be of two classes—*

- (a) *For refreshment-rooms maintained by, or under the supervision and control of, railway companies and proprietors or managers of lines of rail, or persons for the supply on the premises of refreshment to such railways or rail-ways.*—The annual fee payable for such licence will be Rs. 50. Under these licences liquor may be sold to travellers and persons served with regular meals in the rooms for refreshment on the premises in any extent, provided that no more than one hundred quart of spirits or two hundred quarts of any other kind of liquor sold at the refreshment-room may be sold at one time to any such traveller for removal from the premises.

- (b) *For refreshment-rooms in which the sale of liquor is ordinarily conducted with the supply of meals or of refreshment prepared and served in the European manner.*—The annual fee will be Rs. 100 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be applied with the Collector to withdraw licences of this description if it should appear that the sale of liquor in premises where no refreshment of meals in the refreshment-room is permitted, is such an extent or so substantially that the refreshment-rooms may fairly be closed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licences. The premises to be used for the sale of liquor under these licences need be at least of the monthly rental value of Rs. 50 in Madras and in Coimbatore and Coimbatore and Coimbatore and of Rs. 25 in the rest of the Presidency.

V. *Consumed licence, such as license for the sale of refreshment-stalls in connection with race meetings and public entertainments.*—These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such 5-mulit standing Rs. 100 or such amount as may seem desirable. No removal of liquor from the premises will be allowed under these licences.

VI. *Special licence will also be granted by Collectors in consultation with the officers of the Fish and Game and Customs Departments when the circumstances are such as not to allow of the issue of licences of any of the above descriptions on such terms and conditions and for such periods as they may in such cases determine.*

VII. *Collector's licence.*—Annual fee, Rs. 5. The following are important provisions of this licence—

The Standard Barometer and Thermometers are read at 8 a.m., 10 a.m., 4 p.m., and 8 p.m., and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The observations of the Barometer are taken two feet above the level of the sea, and the observations of the Rain Gauge are two feet from the ground. The wind, rain and general weather registered are for the correct Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 9.61 inches, the average due for the month being 1.15 inches.

There were 18 calm hours during the month. The resultant corresponding to the above numbers is represented by a N.E. wind, blowing with a uniform daily velocity of 105 miles.

The rainfall for the month was 2.61 inches against an average of 4.99 inches. Most of this rain fell during the 11th and 12th of the month and was due to a depression which formed in the west of the Bay during the 10th and 10th. The depression did not develop into a storm but it gave general and in places heavy rain over a large part of the Presidency during the third week of the month. The tide was higher to the south of Madras than to the north. Thus to the north, Pambol had 3.19 inches, Nallur 1.91 inches and Kadachur 2.44 inches; and to the south, Keelathing had 3.04 inches, Oudalur 3.16 inches. The rain was not restricted to coast stations but extended well inland. Ponnasalai had 2.37 inches, Cojassewaram 2.77 inches, and Vallur 4.51 inches.

This fall of 2.61 inches is the heaviest ever recorded at Madras in January and the second highest in 1912. The following were obtained from this record of all previous falls of 3 inches or over. In January 1911 the rainfall was 3.46 inches, 3.08 inches in January 1907, 3.04 inches in 1905, 2.98 inches in 1913, 4.77 inches in 1904, 3.35 inches in 1909, 4.65 inches in 1903, 4.95 inches in 1906, 4.36 inches in 1907.
